

Magic A2

GRAISSE PREMIUM

MULTIUSAGE PROFESSIONNEL

DESCRIPTION

La graisse MAGIC A2 is a multipurpose grease designed for general applications under normal operating conditions and without heavy load constraints. It is suitable for use in transportation, agricultural equipment, and off-road vehicles. Care should be taken to avoid contamination during application by dust or other pollutants. For optimal greasing, the use of a pneumatic pump system or grease cartridges is recommended.

APPLICATION

La graisse MAGIC A2: is a multipurpose lubricant ideal for general applications with no specific load requirements and under normal service conditions.

It is particularly well suited for transportation, agricultural machinery, and off-road vehicles.

- **Avoid any contamination during application, especially from dust particles or other pollutants.**
- **To ensure clean and controlled lubrication, the use of a pneumatic pumping system or grease cartridges is recommended.**

SPECIFICATIONS

- **Complies with ISO 6743-9: L-XBCEA 2**
- **Meets DIN 51502: K2K-25**
- **NLGI Grade 2**

Magic A2

GRAISSE PREMIUM

**MULTIUSAGE

CLIENT BENEFITS

- Excellent pumpability ensured by good low-temperature properties and smooth texture
- Very good water resistance
- Wide range of applications
- Compatible with most conventional soap-based greases

TYPICAL CHARACTERISTIC

MAGIC A2 is a versatile, high-performance grease designed to provide reliable lubrication and protection for mechanical equipment operating under demanding conditions.

Name	Test Methods	Units	Results
Thickener	SAE J300	-	LITHIUM/ CALCIUM
NLGI Grade	ASTM D 217/DIN 51 818	-	2
Color	 Visual	-	JAUNE
Appearance	 Visual	-	<i>Lisse</i>
Operating temperature range	-	°C	-25 à 140
Penetration at 25°C	ASTM D 217/DIN51 818	0,1mm	265 - 295
4-ball weld load	ASTM D 2266	mm	0.36
Base oil viscosity at 40°C	ASTM O 445/OIN 51 562-1/ISO	MM ² /S (CST)	120 A 150
Dropping point	IP 396/DIN ISO 2176	°C	>185
